“ We had the privilege to meet Beverly and Dave during our trip to Israel and Egypt first time. Beverly has consistently shown her love for the Lord. She is a great example to us as a faithful child of God. We will always remember her joyful presence. We will miss her beautiful smiles and kindness. We would like to express our sincere condolences to Dave and family. May God comfort you, knowing that she is in a better place now and that we will see her in the future. Matthew 5:4

“ I had the privilege of working with Beverly for 20+ years at Teleflex. To David and family, our sincere condolences. To Steve; we will not be able to attend the service, but please accept our sympathies. I have many wonderful and pleasant memories from working with your Mom all of those years at the "T". She and Frank were quite a team back in the day.

Bonnie Good- Cousin of Beverly Sending my condolences to the family and David, and the family. Have many memories of all the Reigh children and Beverly specifically because we were closer in age. She was always so pleasant and friendly and even though she lived a distance away you just always knew she and her family were there and we visited periodically. I will miss her!!

Thanks so much for sharing this special treasure chest of memories with us all. it was so special to be able to see Bev's smiling face and to remember her despite not being able to attend her memorial due to the distance. I will always thank the Lord for her encouragement to me personally when we'd return to Limerick on visits from where we were serving. She always showed great interest in our work and would assure me of her prayers for our family. What a joy to know that she is looking into the face of her Saviour and for the rest of eternity will glory in his presence. It truly is not death to die for those who are in the Lord- it is stepping into LIFE. I will miss her but rest in the assurance that she is truly complete at last.
