My name is Jeanne Illes I'm now a CT resident but I am back this week visiting a friend and just happened to read the Daily Local News today and saw Beverly's obituary notice. I left PA in 1997 but I was going through a difficult time and was moving back to CT heartbroken at the time. I was working as office manager at the CCSPCA and Beverly was volunteering at the time. Beverly reached out to me and was so kind and compassionate and had so much empathy. She purchased me a gold lion pendant, she said was to remind me when I wore it to be strong. What a beautiful, charming and classy woman. I shall never forget her kindness. I just wanted to share this story with her remaining loved ones.
