*I was deeply saddened to hear of Bob's passing. He always had such zest for life and saw the humor and possibilities in every situation. I wonder what finally made him leave us.*

“ *Kathy -- My deepest sympathies -- you and your family are in our thoughts and prayers. Bob was one of the most fascinating people I have ever known, and my guess is he is giving God a run for his money at this very minute!! :-)* If you need anything, I am here.

“ Kathy, I so remember Bob's sense of humor and his amazing passion for what he was doing. I can only imagine the deep sadness you must feel. Try to remember, "When someone you love becomes a memory, the memory becomes a treasure." I know you will treasure him forever.

“ Bob was a great friend to us for many years. We cherish the good times we spent together as a foursome and the marvelous meals we shared together. Remember the many good times you shared together. May God comfort you in your time of sorrow.
