“ We remember missing Brian at our last family gathering at this Aunt's home, something he truly wanted to attend I am sure. Our condolences go out to his extended family as he truly was a free spirited person who did not deserve this type of ending. May his pain be gone as his love remains in everyone's heart forever. God only takes the good ones early so I am sure he has a unique plan for Brian now and we will always remember the good times we have had together. May he rest in peace.

You were a very caring, generous and loving person. I feel honored that we spent some time together. You lifted me up when I was down and gave of yourself without expectations. You were a true friend. May you rest in peace. May God bless and support your family and friends as they mourn you passing. You are free now with no pain, only peace.
