“ Hi Margo, I am so sorry for the delayed response, but I only found out about Bruce's passing today. Mary Beth Ousey, a fellow former BCM'er informed me. Bruce was my first boss after graduating from Penn State, and he was a great mentor to me; I always felt at ease when I needed his input or guidance. I also enjoyed discussing you, Josh, and Marisa, as well as the morning trips down to the Coffee Beanery in the Mall. Of course, he always drank tea. I miss many people from BCM, but I miss Bruce the most. I'm sorry that we lost touch and am I am truly sorry for your loss. I will keep your family in my thoughts and prayers and hope that your family has found some relief from your sorrow and suffering over the last year. Kind Regards, Tom Gebbie

“ Dear Margot, Marissa and Josh, We were deeply saddened to learn of Bruce's passing. I recall a story from one of the bus drivers who took the band to the Poconos a couple of years ago. It seems a very tall bear (Bruce) peered into the driver's window while he was listening to a football game on the radio. Upon seeing this bear's face, Jesse, the driver, departed the bus in an extremely hasty manner. He told me his feet never touched any of the steps! Katie commented to me many times about what a nice Pit Pop Bruce was. We'll all miss him and we want you to know that you're all in our most heartfelt thoughts and prayers.
