“ *Debbie and Carl,*

Please accept my sincere condolences. Debbie, I loved working with you for all the years that we did and I rarely remember having a conversation with you without something about Carl coming up. He was so loved by you and I know your hearts must be absolutely broken. My prayers are with you that you will find comfort and peace in this difficult time of grief.

“ *Some years ago i worked in phoenixville near Carl's home. He was a young boy at that time. He would come a window where i was working and talk with me. Such nice young man. His visits were so welcome,they literally made my day. On behalf of myself and my family i wish to extend our sincere condolences. The Norris family*

“ A boundless ball of energy, always in constant motion -- that's how I remember Carl as a young boy. My son's FIRST best friend in preschool. I still can picture the two of them at preschool graduation with their little diplomas in hand -- of course Carl had his rolled up like a spyglass and was either peering through it or giving his classmates a few friendly "taps" during the ceremony. That was Carl.

Debbie and Joe, our hearts are breaking for you with this unimaginable loss. Hold onto each other and may God give you the strength to move forward like Carl would want you to. You are in my prayers ~~

Love,
Jaime
