Tribute Wall

“ I was going through back news papers looking up historical information, and came across the last name of Edleman, and it made me think of Caroline, So I looked up her name and found out she passed, I knew Caroline through my late mother Gloria Harris, who grew up on Hall Street with her and went to school with her too. They're both in Heaven now having fun with the rest of their classmates of 1949. My prayers go out to Caroline's family.

Ps. Mommy passed April 10, 2021, they even did their Death almost together. My mom would talk about Caroline, Marie, and Dolly for they were like the four musketeers, all through life.
