“ *Cathy was always kind and never said a bad word about anyone. She had no enemies. I met her in the early 1980s as she came out to see my band Mantis and used to support us! She was very creative too and would write poetry! We used to hang out and talk about music. I am saddened greatly by her loss. The world has lost one of the good ones!!! XO Cat.*

“*Cat was one of my favorite customers at the bank. She always came in with a smile and we would often talk about things going on in town. We shared a love for the Colonial Theatre and would often talk about the happenings there. She had a wonderful smile and you could just tell by being around her that she was a kind soul.*

I never knew what she did for a living only to find out from my wife (who works at PVSD) that they lost a driver and how all the kids loved "Miss Cat".

It all came together then.....

RIP Cat

“*Cat was an amazing bus driver. She always took the time to connect with the students and make sure they were safe. She always took the time to smile and say "hello" to those of us working the bus deck. She will certainly be missed.*

“ Sincere condolences to family and close friends for your loss, i know there is a space where Cat used to be. Cat was a high school friend. Through the years our paths would cross and it was always a pleasure to see her. She never hesitated to walk up and greet me with her smile and hug. I know she had her struggles in life and she choose to be happy every day and not let life get her down. Cat, thanks for passing on your smiles, hugs and positive attitude to all you knew. I'm glad I had the pleasure of knowing you. You left the world a better place for being here.

“ We met Cat when we opened our business in Phoenixville in 1999. One of our first customers, she always came in with a smile and a story. Once, many years ago, I heard a truck pull up in front of my shop, blow the horn and there was Cat in her Fed Ex truck with a 6 ft giraffe strapped in next to her. She said... "Hey! Look what I got!" Then drove off. I must have brought that up to her at least a half dozen times over the years and we'd laugh. We'll miss you Catherine Boyle, but you'll always be remembered with a smile, as a kind hearted, peace loving soul. Thank you for letting us into your world.

“ *Miss Cat as we lovingly knew her was our bus driver on bus #139. She was so happy and amazing with all the kids. She would teach them things about the bus while providing such a safe and happy ride to and from school. My boys loved her and she always recognized them. She had the dash of her bus decorated and many of her students adorned the space. Her bus route goes directly behind our house. I can see her picking up and dropping off the children in all kinds of weather. My boys are so sad, but I told them they are lucky to have known her. She had a life well lived. “ *I wasn't a close friend with Cat, just an acquaintance, but that didn't matter when I would see her. She was somewhat of a chameleon, sometimes quiet and reflective, other times, bubbly and cheerful. But she was always a pleasure to talk to. My deepest condolences to Cat's family. She was a true treasure.*

“ To Catherine's family and dearest friends, A piece of each of you has been taken away and we ask "why". I realize you all had an unforgettable life with Cat, I did also several years back but however much less recently.. At times like these I like to remember that the Someone Above needed another angel upstairs to watch over us down here and this time he chose Cat. Can't you just see her flying around faster now that she has a set of wings? And I promise you will still hear her speaking to you. My heart aches for all of you. Love, Pat Slawecki

“ *I am so sorry to lose our friend Cat. She was a unique and wonderful person; warmhearted, generous in spirit, and fearless in life. I knew her first through the Colonial Theatre, where her presence as a volunteer was valued and appreciated. I loved watching her handle the concert crowds with humor and confidence. I found her optimism always inspiring. I will miss her very much.*

“ My deepest condolences to the family of Cat. Cat was the most wonderful woman and friend anyone could ask for. Cat cared about everyone around her and showed it daily with big hugs. Cat loved hugs and everyone loved receiving them. Cat would give you her shoes from her feet if you needed them, I will never, ever find a friend as I found in Cat. You will be sorely missed by many folks Cat. You enjoyed life to the fullest and when you had your own problems you found a positive attitude to lift us up. I love you Cat and that will never change. The Heavens certainly gained a perfect Angel.

Signing off as Cat would sign off...Peace

“ My heart is heavy with grief for the entire Boyle family. Catherine will be remembered fondly for her infectious smile and laughter. She was a true joy to all who met her, and her passing will leave a hole in many hearts. She brought many smiles to her Uncle John during his lifetime...angels are rejoicing above while there are tears here on earth.

“ *Cat was everyone's best friend, as was evidenced by her ear-to-ear grin upon first seeing us walking toward her ... to the final, great big hugs goodbye. So, my dear friend Cat, for whom time and distance between visits never dulled the relationship, I wish I could hug you goodbye, even if for one last time. I love you so, and trust you'll keep an eye on all of us left here below.*
