“Helen & Family, I have great memories of your Mom and your family and am so sorry for your loss at such a tough time of the year. My thoughts are for her peace. I am sorry, being able to travel the distance keeps me from being able to offer my condolences in person. My love, as always is with you, and your family. Marie Steele

“To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “Psalms 90:10 tells us that our days are 70 and with special mightiness maybe 80 well we see the mightiness in Mrs Kilpatrick genes but sad to say even with long life there are troubles but the bible tells us of a time when that will not be so Revelation 21:3,4 what a time to look forward to
