“ Dad - I cannot believe you're gone. I only found out by googling you and seeing a message I had never seen until recently that you sent to me on Facebook two months before you passed away. My heart is broken as there were so many things unsaid. You should know I have and will always love you. I have lived with a void and serious hurt all my life, but you were always my one and only Dad. I pray that you are in a better place with no more suffering or pain. I'll love you always. Your daughter, Anne-Marie xo
