“ Dear Maura Monica and I were saddened to hear about Chuck. He was a great man, one of the most patient and gentle persons I had ever worked with and was blessed to have known. He probably knew more about his trade than anyone I knew. He radiated knowledge, kindness and his love of you and Paul. Monica and I will keep you in our prayers. Dave & Monica Haeussle

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ Chuck was the one person the HVAC industry could always go to for solving problems. His accumulation of technical knowledge was awesome, but his willingness to help everyone else was inspiring.

“ Chuck was one of the nicest guys we had ever met! He would do anything for anyone and was just a big, sweet teddy bear! We will miss him very much! Our special needs son said that Chuck was one of the very few people who treated him like a normal person and accepted him just the way he is.
