“ Dear Alicia, Jeanette, Rachel, and my Dewey cousins, I am deeply sorry to hear about Charlie’s passing. Although we hadn’t seen each other in years, we would sometimes exchange e-mails at holiday’s and when Philadelphia would play Boston in various sporting events. I also recall him for being an avid Cubs fan. I will always remember Charlie for his sense of humor and warm smile. Our thoughts and prayers are with you at this difficult time. Love,
John Dewey Jr. and family

“ I had the extreme pleasure of getting to work with Charlie for a few months last year. He was always a gracious and sincere person. Some of the things he said changed my view on what a manager is and should be, and I will forever appreciate that. May he rest in peace and I wish the best for his family.

“ I was truly shocked to read of Charlie's passing. I had not seen Charlie in some time but still remember all the fun times we had when we were younger. I only ran into Charlie a few times over the last 40 years but we always reminisced about the "good old days". Please accept my deepest sympathies at his passing.

“ I had his daughter Rachel in my English class while I was student teaching at Phoenixville High School. It was such a treat to see him at a parent teacher conference. Such a small world. He will truly be missed.
