I've worked with Dan for many years and more importantly have developed a friendship that will be there forever. We would always talk about our kids, share stories, etc. Please know I'm thinking of you and sending hugs and prayers. Your friend, Robin Mathews

“ The first I met Charlie was when grandpa Larry and I drove to visit them one summer during my college years. I remember the little Jeep the boys drove around the yard. I also remember Uncle Dan had rigged up a larger battery to it so it could go faster. No words can express how sorry I am for your loss. Now his grandmothers can walk with him beside God and all others we have lost too early.

“ Our granddaughters, Brianna, Ave, Rachel, and Maya were all in love with Charlie 10 years ago at our Vermillion gathering. He talked to them and played with them even though they were little kids and he was a teen. When later family gatherings were planned, they asked, "Will Charlie be there?"
We are sure Charlie is there with the good God who loves us all.

“ I'm sorry for your loss. I still remember when I first met Charlie in high school. He was a friend of my cousin and wanted to start an Anime club for those people who weren't really interested the other options. As we got the club up and running, I was always impressed with his knowledge and insights. His positivity and care for others drew a lot of people to Charlie and I know he was able to impact their lives with his influence. He'll be missed.

Dear Dan and Susan,

I was very sad to hear this news. I remember Charlie as a happy first-grade student many years ago.

My thoughts and prayers are with you and your family.

*Kindly,
