“ Cheryl was one of my mostly online "Star Trek friends" even though we were on the same ship, and shared the same friends. This was mostly due to the fact that she lived in PA, and I lived in NY!

.
Cheryl and I had similar senses of humor. I was the "meme queen" and Cheryl was one of my wonderful sarcastic, funny commenters. More seriously, we both had various medical issues that we would commiserate about. We both had the resolve to laugh and live through our tears, which was one of the things we bonded over, aside from Star Trek and Science Fiction and Fantasy.

.
I grieve.

.
Rest in Peace Cheryl. My condolences to her family and friends.

“ I met Cheryl through Star Trek fandom and have known her for many years. She always participated on meetings and charitable endeavors of the group. We lost touch over the last few years but I would still see her posts on Facebook occasionally. I knew she had health problems in general and am sad to learn she has passed. My thoughts and best wishes go out to her family and friends at this difficult time.
