

Clark Gregory

April 20, 1938 - June 21, 2025

Clark Gregory was one amazing man! His love for God, family, friends and music was what fueled him. Clark was contagious! Being around him made you want to sing and rejoice about everything, no matter what. Clark's JOY spread like wild fire! He was in a quartet many years ago and sang at many churches, his love for God shined through every note he sang. Clark was asked to play at funerals, weddings, lead, congregational singing and was known by everyone by the way he organized everything he touched.

Clark worked at the American Baptist Convention for decades. Those on his team loved how he took care of missionaries travel back and fourth and made sure each one got to their destination. The travel agency that he worked for appreciated his work so much that they sent him to London all expenses paid.

Clark was a selfless person putting everyone above himself. He took wonderful care of his mother and father. All through his life he loved his sisters, Margaret, Sandra and Cynthia. His nieces and nephews meant so much to him as well. The family knew Clark prayed for each one every morning in his morning devotions.

Clark's kindness and humility touched many lives and the impact he made will last forever! We know he's rejoicing today because he is with his Savior, Jesus! Psalm 23 was one of his life long promise!

Clark is survived by his sisters, Peggy, her husband Ken Renner, Sandra, her husband Ken Bean and Cindy, her husband Jerry Raley.

“ His obit is 200 % correct! My late wife (04-17-2019) Judy Lynn (Francis) Mauger worked at ABC for almost 10 yrs. Clark had the love of Christ walking inside of him. He always asked if he could pray for the situation. He was the light in a dark world. Never could do enough for people. Judy always looked forward to seeing him at work. I KNOW he & Judy walking & talking over old times. My SINCERE CHRISTIAN SYMPATHY to ALL family & MANY friends. Art Mauger old friend.
