“ Frank and I have many years of memories with Connie and Terry and their family. When we lived in PA the first time (right after Courtney was born) we were welcomed into the family and enjoyed being invited to all the family get togethers. Dennis is like a son to us . Michelle was like a daughter to Connie and Terry. We both loved them and their daughters (our granddaughters and then came their grandchildren (our great grandchildren). We knew we were blessed and we are grateful for the times we shared together. May Connie be at peace with the Lord and may her family find comfort knowing she is in God’s loving care. Love, Nancy and Frank Santisi
