“ Connie was so very special. She not only lit up a room with her presence but, sincerely and warmly lit up lives. The love of her family was enormous and touching. You knew how much her family loved her because she shared all the special moments and spoke of them endlessly with each and every one of us. She was a true friend, especially to my mother and to our entire family. Having Connie in our presence was a sheer delight. Connie will never be forgotten and her soul and spirit will remain in our hearts forever. 🙏
