“ *Connie was a wonderful woman who went out of her way to help others. She loved animals, art, reading and hated to see any person suffer. She was always ready to help those in need, a truly compassionate woman.*

*My wife, Judy Lynn Mauger lived @1004 in the Meadows Mont Clare. Right around the corner from Connie, and her cat Susie. Susie allowed me to give her belly rubs. BUT she had her way to tell you, she had enough. When I planned to move, Connie was gracious to help me pack up some items. Also gave me a foot stool. Couldn't take with her. We shared our faith in Christ. She never let on how bad she feeling. Yet we could sense how much She, my wife & others walking the streets of Gold!*

*My late wife and I were close neighbors, when she lived in Mont Clare, Pa. We loved her and loved playing with Susie, her cat. I had to sell the condo, and even as busy as she was, still found time to help me pack up some items. God let us share in the beauty of her soul. Even if only a short time. Art Mauger.*
