“ I am saddened to learn of Connie's death. I treasure the fond memories I have of growing up on Fern Road in Glenside and being a neighbor and babysitter for the Ryan family. I also have and cherish the neighborhood photo of us and the Creighton family dressed in our Easter outfits (which you included in the beautiful video tribute).

You will continue to be in my thoughts and prayers. Betsy McCloy (Morris)

Just look at that smile ! Nothing fake about it ! That's how I remember Connie Ryan. Always joking, always laughing, never afraid to tell you how she felt. Wonderful , wonderful memories of Christmas and picnics at Alverthorpe park and in the backyards in Glenside. 4th of July celebrations and just because celebrations. The best next-door neighbors ever....nobody else even comes close. Strength to Fran, Linda, Jill and Paul and all the rest that I haven't met yet. Much Love to all.

Dear Ryan family,
This is a beautiful tribute to a beautiful and much loved lady. We loved having you as neighbors on Fairways. We treasure those memories and still remember your Mom well. I can still hear her laugh. We send our deepest sympathy and love to you all. We wish we could be there but will be with you all in love and prayer. Paul, hug your dad for us! We are so sorry for your loss of your Mom.

“ I worked with Connie for 9 years Sears Hardware in Phoenixville. We had our good and bad days working there. I'll never forget the time we were selling scooters there and Connie was riding one around in circles in the store. She was always a lot of fun. I'll miss you, Connie, rest in peace.
