*Dad, I just wanted to say "Thank You for being the best dad I could ever have had! "You have always been there for me from the day I was born until the day God called you home.I can remember you sitting at the kitchen table tracing your work boot sole on a piece of cardboard to make an insert so your foot wouldn't get wet when it rained and placing duct tape around the outside to cover up the hole in the sole so I could have new school shoes and sneakers every 4-6 months.I will never forget! I hope and pray you are at rest with no more pain and with the love of your life "mom". Until we meet again "I Love You So Much"
