

## Cynthia M. McCarthy

October 22, 1947 - October 5, 2022

Cynthia (Mady) McCarthy, 74, of Oaks, PA, passed away on Wednesday, October 5 surrounded by loving family. Born on October 22, 1947, she was the third of five children to the late Edward and Loretta (Rakowski) Mady.

Cindi was a 1965 graduate of Nativity B.V.M. High School and a graduate of Northeastern University earning a degree in Management Information Systems. Following her early professional career where she was involved in data analysis and the onset of computing, she went on to be the founder, owner, and Executive of a specialized accounting and professional services automation company. For more than 30 years, she passionately nurtured the growth and success of her company. Anyone that worked with Cindi saw her creative intellect. Her true passion was the love for family, friends, and her pets. Cindi was charismatic and bold. She brought spontaneity and liveliness to everything she did and had a unique ability to keep everyone connected and up to date within her extended family. Cindi enjoyed social outings especially with close friends, and an 'occasional' trip to the casino, especially with her lifelong friend Molly. She was involved with and supported charities like Habitat for Humanity and also enjoyed animal rescue and support of veteran organizations.

A devoted wife, Cindi was preceded in death by her first husband William (Bill) McCarthy and second husband Alexander (Alex) Nitsch; sister, Aleece

Hanlon, and brothers-in-law, Greg Hanlon and Charles (Skip) Miller. She is survived by stepchildren, Dietrich (Dieter) Nitsch and Natalie, wife of Fran Sudall; her step-grandchildren, Brent, Hayden, Lainey, and Cade; sisters, Carole Miller and Loretta, wife of Patrick (Pat) O'Hara, and brother, Edward (Ed) Mady, husband of Nancy.

Cindi will be most remembered for the love she had for those that she held near and dear, all her family and dearest and close friends, colleagues, and employees.

Relatives and friends are invited to attend her prayer service, with a time for sharing, remembrance, and celebration at the Campbell-Ennis-Klotzbach Funeral Home, Inc., 610 Main Street, Phoenixville, PA on Thursday, October 13, 2022 at 6:00 pm. “ *(I had been trying to locate Cindi for a number of years. I went to her wedding to my cousin Billy McCarthy in 1970. After the family found out that Billy had died--a number of years after the fact--we wanted to get more information about how he died. I had located a phone number a couple of years ago, but it was an old number. I was trying again today and found this page. I am so sorry I didn't get to connect with her before her passing, but I am heartened to read these tributes and see that she had a good life. My condolences and blessings to the family. --Ann Haralambie, MacBanshee@gmail.com.)*

“ Cindi let me find a new meaning to family. Every couple of months she would meet me & our other cousin Bea in NJ. It was half-way point for all of us. Yet, Cindi went a 100% to keep us up to date with the latest news and gossip within the family. I loved her frankness and I had many a day when I wished she could be my sister. We laughed a lot...about our selves and the crazy times we lived thru. She will be greatly missed...but oh, so loved.

“ Boy am I going to miss you Cindi, you left to soon. I want my extremely smart, talented, kind and funny friend back. I want more conversations that start off about work and quickly go off topic where we spend an hour(s) laughing about everything. One day we'll laugh together again, until then I will always remember you with a smile in your voice.

Peace,  
Angel

“ To a lady who does not take no for an answer: good, bad memories we had it all. And even till the end of time you still think about your friends well being. Alex had made the right choice to love you and God had given me a true friend. Since you never made it to Vietnam, I promise to visit Khe Sanh on your behalf. Love always, hien:)

*This was such a good memory of an employee outing with Cindi, I just had to share it. I worked with Cindi and most of her loyal employees for a long time. I'll always fondly remember the good times we had at work and on company outings, especially the holiday lunches. She was always so passionate about the business, her clients and team members. Because of her enthusiasm, intellect and kindness, you always wanted to make her proud and bring your A game. It was a family atmosphere and Cindi always brought out the best in you. My condolences to her friends and family who are grieving the loss of Cynthia. May you be comforted by how she touched our lives.*
