“ Hello Susie, this is Michael Snyder. I am so sorry to find out about Dana's passing today, April 4, 2025. Funny thing is Dana came to me last night in a dream, actually you are both in it It was nothing bad, actually it was quite nice in a sincere, friendly way. I worked with Dana at Clarks from his first day until when he left before me and he was stricken with illness. We always got along so well, as a matter of fact he like me as one of the best of all people in programming and development. I always enjoyed our conversations and he always made me laugh and helped make it fun. I took care of my mother over the past 8 years so I know very well how difficult and challenging it is taking care of a loved one. I only wish I had the opportunity to see Dana and I do recall a time where he came to Kennett Square Clarks for a visit. I will place a mass offering at our church in remembrance of Dana. God bless you Susie, Lindsay, and family. Take care, Mike
