“ I met Danny back in '69 when we both started working at the Kimberton Coutry House, a top notch restaurant back in the day. We've been friends ever since. We were only 13 yrs old at the time.

“ Danny was one of my dad's best friends and was a groomsmen in my parents wedding in 1979. Growing up, he would come over our house every Saturday and listen to music with my dad and just spend time with the whole family. Even recently he always made a point to come and visit my dad whenever he had time. One of my most cherished memories from when I was younger is Danny throwing me in our pool. He will be forever missed!

“ Always thought of you as Uncle Danny. You were such a large part of our childhood, and continued to be as the years passed. You always called me Kris, just like Dad's sister, and it always made me feel very special. Shedding a few tears as I think of you, but with a smile in my heart for all the wonderful memories. Love you Uncle Danny ❤️

“ Remembering Danny as the very best son, brother, nephew, cousin, and very loyal friend. Yes, Linda, Dan is gone way too soon. Also Remembering Danny as a very down to earth, humble and easy going man who lived a simple but satisfying life. He never said a bad or unkind word about anyone. He was not only a good friend to Mark and I and all the Madsen kids, he was a very special part of our family. We will miss you terribly Danny, but looking forward to seeing you again in perfect health and happiness. With Love from Mark, Barbara, and all the Madsen clan.
