“ Dear Marge, Lisa, Brandon, Josh, Jeremy, Seth, and your families,

*My heart is broken for all of you. Dan was a "larger than life" guy. He thought big and he dreamed big. And he saw his biggest dream come true at RiverCrest. He loved all of you and was soooo proud of his family. He told everyone that would listen that you were his greatest accomplishment. When he entered the room, you knew he was there. His smile lit up the room. The twinkle in his eyes always made you wonder what he was thinking, and yet you knew it was something special and magical. His death leaves an empty space in this world that can never be filled. May your memories, of happy times shared, comfort and sustain you. I will miss him, too! Love,
Kathy Tomson*
