“ Daphne and I grew up together in the country, (Sumter, SC). There were lots of things to do. She wasn't afraid of frogs, I was. We had fun running from our cousin's dog, Trigger, (We were really scared.), jumping rope on the country dirt ground, and grass, making mud pies, and letting them bake in the hot sun until they dried. Good ole clean country fun. She loved to smile. Was always the same, sweet cousin. She loved the Lord and loved her family. Great person, and relative who will be missed. So glad we got pictures together at our last Family Reunion. Prayers for the Family. May she now, rest in Peace, in the Land where God shall wipe away all tears (their eyes); and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain.
