“ Dear Jean, I cannot believe I have found you In Google. I have thought of you and Dave often and with the water situation going on in Camp Lejeune I wanted to be able to find you. I am sorry Dave passed away at such an early age, but Bob did too. However, Bob and I divorced years ago but I do see all of his family. He died at 72 of Parkinsons. I still live in atlanta and have two wonderful daughters and three grandsons. I did remarry, but he too also died. I have a great life, have a boyfriend that lives across the street and we travel a lot. How are your children doing? I hope I am writing the the right Jean Driver I knew in Camp Lejeune and if not you can disregard this. If I do have the right one please email me at nancycpurchell@gmail.com Love to you and your family, Nancy Cousins Purcell
