“ Dear David and Laura:

*I wanted to express my condolences in the loss of your son. I know how difficult the loss of a child can be. You are both in my prayers. David, you probably do not remember me, but I have known your mother since grade school and remember you as a fun-loving toddler when we lived in the same apartment building me in Schwenksville. Again, my prayers are with you both at this time.*

“ *Laura & David: Time goes on sweet people. Always remember you can try again. My second wife and I tried for many months, and during this time she experienced a misscarriage. Always remember what I told you sweet Laura, YOU are the most important part of this deal. Hang in there, I have no doubt that you and David can succeed. Always know that I think about you every day and that I love you.*
