“ I'm still in shock. I've known you forever. Honestly for 48 years. I feel like you have just always been there even though years have gone by we don't see each other. When we do, it's like we're just like we have always been. RIP my friend. God's speed. Know you were loved in life and are badly missed

“ *You are my first true love and gave me 3 beautiful daughters. I will forever hold all of the good memories with you close to my heart. You were too young for all of these tragedies but I am comforted knowing that you are no longer suffering and you are with Alicia, your parents and and your brother. Until we meet again... xoxo*
