“ I was very saddened to here about this. I just had the pleasure of seeing Deb at our office. She always had a smile on her face as she did that day. We laughed, hugged and she was so excited to work up new designs for our newly renovated office space. I trusted her ideas completely and she was always a pleasure to work with. I will miss her.

Sincerely,

“ My heart aches for Debbie’s entire family. Debbie was definitely a one of a kind beautiful person and friend. When my mother passed, 20 years ago, she sent me a beautiful silk flower arrangement that said in short “keep this in memory of your dear mother, she will ALWAYS be with you.” I still have it. Debbie was loved by many and will never be forgotten. Please accept my heartfelt condolences.

“ *Debbie is one of the most vibrant, energetic woman I have ever had the honor of knowing. She was my first work mentor and befriended me giving me all kinds of opportunities to learn new skills, encouraging me to be my best self. Debbie and Ken gave me many opportunities to try new things and helped me in times that I needed it most.*

*Debbie shared her passion and creativity with everyone around her, always believing the best in them. Her strength and excitement for life and friendliness to everyone has always been a shining example to me.*

*Being surrounded by Debbie's endless energy and creativity was a gift that she shared with all around her.*

*Her spirit will live on and will continue to surround us in our daily lives.*
