“ Debbie was like a second mother and we had too many memories to count. Our times at Whitehouse beach, trip to Disney world, every holiday especially ringing in the new year together the list goes on and on. She was a great person who would always be there in a time of need or whenever. Debbie will be truly missed and the holidays and special events in our lives won't be the same but Debbie and my dad will be there with us in spring and in our hearts forever and on new years eve Debbie and my dad will be saying spinach dip looking down on us. The sky just got a little brighter with a star named Debbie. Rest in peace Debbie love you

“ Debbie was a wonderful woman and a great leader. Even after my daughter was out of her troop and into sports in High School Debbie still kept track of what she was doing and how she was getting along. She sure has touched alot of girls who are now women . I am grateful for all she has done in my daughters life and I loved camping with her . She will be missed. Mary Jo Ortlip Jackalous
