“ To the Devlin Family, My deepest sympathy on your loss of Denny. He was the last of his kind, a true gentleman and a genuinely lovely person. It was a pleasure to always speak with him because of the smiles and laughs he always shared. I am truly saddened by his passing and will miss him at church

“ I've known Denny for over 10 yrs. Coming to the funeral home for many viewings/funerals.He was a warm, caring, compassionate man. EVERY time I came to a viewing, & I would explain my relationship to the person, he could see in my eyes how much I was hurting. He would either give me a hug, put his arm around my shoulder, or just shake my hand, and say, "I'm sorry." He made you feel like you was your brother. Or anytime I would walk by the funeral home, he ALWAYS had a warm smile, & a friendly hello. My PROFOUND sympathy, but we KNOW he is waiting for us in Heaven.God Bless you.

“ I knew Dennis from coming in to the Dr.'s office I work at....what a great man! ....We always loved to sit and talk to him...he would share tips on flowers and shrubs....then I would often see him at different funerals that I would attend and he always came over to me and make me feel special....I was shocked and saddened to see that he passed away...he truly was a gentle and great man...He will be missed...I will always think of him as I drive passed the funeral home and see the flowers and remember....We are so sorry for the family and also for the funeral home family as I am sure they are suffering a great loss of their great friend.

“ I am so sorry to hear of Denny's passing. God has taken a good man. When I would miss the 7:30 Mass at Holy Trinity, I would go to Sacred Heart and sit near the Devlins. Always a smile, and he always asked how dad was doing. He always kept the Funeral grounds immaculate. He will be remembered and sadly missed. So sorry for your loss.

“ Joan, We grieve with you the loss of a wonderful man. Dennis was a true friend to all those he came close to. He knew when someone was hurting and was the kind of man people turned to for comfort and advice. I know half of your whole is now in heaven with many of our loved one's; the only consolation I can accept is that they are all together looking down on us. You and Dennis, Jr. are not only in our prayers but forever in our hearts for having shared Dennis with us.
