“ Mrs. Devlin, I was completely taken aback to hear of Denny's passing. Growing up in the neighborhood, I from Walnut St., I grew up with Denny and saw him often at Sunday mass at S.H. Our prayers go out to you and family.

“ My deepest and heartfelt condolences in the loss of your dear son, Dennis. It seems as if our loved ones are with us for such a short period of time. We long for the promises that God's word the Bible makes, "the meek shall inherit the earth and reside forever upon it."- Psalm 37:29. May you find comfort at this time as you draw close to the "God of all comfort" who tells us that if we draw close to Him, He will draw close to us- Psalm 55:22. It is my hopes that these words may prove to encourage you at this time. Respectfully submitted, Denise Brown Neiceybrown-mail@yahoo.com

“ Denny and I saw each other many a day at Lock #60 come Winter or Summer over the last 12 years. He always had a smile on his face and he loved life and the great outdoors. A friend to any animal, he will be missed. His presence will always be with us along the canal road where I know he spent many of his fondest moments; fishing, chatting and joking around with his friends. God bless you Den, you are in my prayers. Barbara

“ *I'm sorry to see Dennis leave this world. He played for the Tech School basketball team that I coached, and was one of my students. I knew him after he graduated, and he always had a nice greeting and treated me with kindness. He will be missed my many.*
