“ *Dennis was such a great friend to me. We met years ago in Michigan while working at a resort. Throughout the years, he, Kim and I worked in Fla, N.Carolina and Gettysburg. He always made me laugh with all his stories and his songs. He called while in the hospital just before Christmas and I will forever hold that conversation in my heart. I picture Dennis, sitting around a campfire, strumming his guitar and singing or like he would say, try to sing. He had called my home several times in the past 6 months and talked of his life now. I will miss not hearing from him. I truly lost such a wonderful friend but he will always be in my heart. May God bless you all at this time and God bless Dennis, my true friend.*

“ I'm sad to learn of your loss. As a kid, we had a nickname for Dennis - "Swampy", which was short for "Swamp Fox." I pray for your comfort.
