

## Derek S. Huey

June 12, 1971 - November 21, 2017

It is with great sadness that the family of Derek S. Huey, 46, announces his passing on Tuesday, November 21, 2017 in Lankenau Hospital after an all-too-short, but fierce and courageous, battle with cancer. The son of Wayne (Judy) Huey of Malvern PA and Geri (Craig Keemer) Huey, of Reading, PA, Derek was born on June 12, 1971 in Pittsburgh, PA, but spent much of his life in the Reading area, where he attended the Lancaster Country Day School. After graduating from Rollins College in Winter Park, FL, Derek worked the majority of his career in IT, most recently in sales with Intapp, a technology firm based in Palo Alto, CA. Professionally, Derek had a unique and highly coveted ability to build bridges and relationships between and among those with varying familiarity with, and understanding of, technology. He deftly managed to understand and address complex high level technology problems while simultaneously communicating effectively with programmers and engineers to implement creative and efficient solutions.

With his beloved wife, Kris (Garfinkle) Huey and cherished children, son Caleb and daughter Mila, Derek spent the happiest 20 years of his life in Royersford, PA, where he was the self-appointed chief dog walker, lawn mower, and master of house and car maintenance. He loved spending time with his family and took great pride in watching his children swim for the Nine Oaks Swim Club in Royersford, where the family has many dear friends. He also enjoyed skiing and golfing with his children, watching his son Caleb wrestle, hiking and

mountain biking in the woods at French Creek State Park and humoring Kris by spending 2 weeks at the Jersey shore every summer. His most recent passion, however, was coaching Caleb's mountain bike racing team. Derek spent many happy hours with the Tredyffrin-Easttown Mountain Bike Club and was a much loved and respected member of the coaching staff.

Derek will be sadly missed and forever remembered—especially for his quick wit and biting sense of humor—which brought laughter and happiness into the lives of all who knew him.

In addition to his wife, children and parents, Derek is also survived by his sister, Kristyn Lederer and her children Zane, Annika, and Ridge, of Trumbauersville, PA, brother-in-law, Brendan Lederer of Quakertown, PA, father-in-law, Sylvan Garfinkle of Berwyn, PA, sister-in-law, Julie (Peter) Bartolini of Scottsdale, AZ and brother-in-law, Ken (Tamara) Barbet of Ivyland, PA.

Family and friends are invited to gather for Derek's Remembering on Tuesday, December 5, 2017 from 2-5 PM at Applebrook Golf Club in Malvern, Pennsylvania. In lieu of flowers, memorial gifts may be made to Mayan Families at <https://www.mayanfamilies.org> or the Tredyffrin Easttown Mountain Bike Club at <http://temtb.org/2017/index.php/donations>

Arrangements are being handled by the Cattermole - Klotzbach Funeral Home, Royersford, PA.

“ *In his time working at Intapp, Derek touched many of our lives.*

*We were proud to work with him at our company. He brought dedication and expertise to our team as a highly skilled technical sales professional, and he was sought out as the go-to expert in his chosen field. He made a lasting contribution in his time with us, being instrumental in helping to develop an entirely new line of business for our company.*

*More importantly, Derek built lasting relationships across our entire team. He was the consummate team player who helped make everyone around him better just by working together with him. He will be remembered at Intapp for many contributions, but perhaps first among them were his warm smile and his ability to make others laugh.*

*Our sincerest sympathies go out to Derek's family and loved ones. It was an honor to have him as a member of our team and he will be deeply missed.*

*With deepest condolences,*

*John Hall  
CEO, Intapp*

“ Dear Kris, Caleb & Mila, I worked with Derek for about 12 years on many projects and can say without a doubt that I always looked forward to spending the day with him either at the office, or at a client's site or on the long ride to New Jersey. Derek's sense of humor always kept everyone at ease. He was fun to work with all those years and I know everyone at the old E-Tech and the new Premier Logic is very saddened by his passing. A good worker, better man and an even better father....we all miss you already Derek! Hold down a tee time for us up there in heaven, please?

**Kris Huey** - November 28, 2017 at 10:59 PM

PS

“ Dear Kris and Family

*I had the absolute pleasure of knowing Derek for the last 2 years. We started at Intapp at the same time and immediately struck up a friendship. we would always be poking fun at each other including Kristian Uggla, the banter was great fun :) ( "Banter" Very English Phrase )*

*I was lucky enough to share some great times with Derek in both Philadelphia and San Francisco we shared many interests and hobbies, the thing that really stood out for me was how big Dereks heart was and behind the dry humour was a very loving and caring man who would help anyone.*

*I'm desperately sad to know that he is no longer with us in body but i know that he will remain by his family and friends sides always.*

*He will be missed immensely*

*sending all our love*

“ To Kris, Caleb and Mila,  
I do not have a single favorite memory of Derek, although I remember him in charge of the barbeque on so many occasions and I can still see him carrying little Caleb on his shoulders on that very hot day in Philadelphia when Caleb became a citizen. I am grateful for the times he made me laugh and I am still in awe of him for being so good at so many things. He was a bright light in so many lives, including mine. I think that every time I saw how happy he was to be Kris's husband and Caleb and Mila's dad, it became a favorite memory.  
To all of Derek's dear family and friends, you are in my heart.  
With love,  
Dottie

“ Kris and family, please accept my deepest sympathies to you. Although you don't know me personally, I am Joan Torbet's mother and when Joan and John married at Hotel Hershey, Derek ushered me to my seat. That was my first time meeting him (fine, fine gentleman) and as he took me to my seat, he told me about my husband getting a traffic ticket as they drove from our home to the Hotel Hershey. Of course, I had not heard about it but each time I think of Derek, I remember how he gave me important news about what happened that day on the way to John and Joan's wedding. You and your children will be in my prayers. May you find strength for each day.
