“ I was shocked to hear about the sudden passing of Dez. In the last few years we chatted here and there, but it was nothing like it was in the years at the end of her middle school stay and also bits of both of our high school careers. She was a great person and had an awesome personality. She will be greatly missed! RIP angel!

“ Desiree my love.... You were my Shine... the one person who made me feel like I was someone when everyone else seems to have not cared at times. I never had the chance to be the hero you so desperately needed. The Hero you saw me as. I would give anything in this world to have you back here with us... I love you more than anyone would ever understand and I miss you with every beat of my broken heart.
