“ Happy Birthday Diane! We miss you.

*Diane was a devoted and dedicated mother to Alex, David and Doodle. They were her life. She was also devoted and dedicated to her entire family as well as her extended family of Ray, Rob, Bill, George and Bob. Diane worked for the SA for over 35 years and gave her entire self making her guys live a life as full as possible no matter what it involved. She accomplished this goal many times over for them. Their lives were full of Love, Happiness and Choice. If you knew Diane you knew she had a huge heart, she was a loving and caring person. She truly cared about all people, no matter what. She was willing to help others in any way she could. If she believed in something she would fight for it, if she thought it was the right thing to do. She was all about doing what was right and fair and good. I really admired her for that.*

*Diane was smart, funny and sensitive. Her faith was very strong and very important to her. I know her faith helped her through these last challenging days of her life.*

*I will miss Diane very much and I know her passing is a great loss to us all. But I also know she is now in Gods arms and experiencing the ultimate peace and love that only he can give. She is truly worthy of that peace and love.*

*Rest in Peace Diane. God Bless You Janice Perry*
