“ Our family had the good fortune to be neighbors with Bambi for 12 years. Often times Dee would be with her. In getting to know Dee, I found her to be a loving caring mother, grandmother and great grandmother. She lived a difficult life but never lost her compassion for people and was always there for her family no matter the situation. She was loved and respected by all who knew her. She will be forever missed. I is with great sadness that we extend our deepest sympathies to her family. With Love and Respect, The Heck Family, Bruce, Nancy, Lyndsey and Jocelyn.

“ We were very saddened to hear about your mother’s passing. She was someone that really lived every day to the fullest. While we know that words are only a small gesture of support, we want you to know that her spirit has touched many people’s lives as it has ours. We know that she will be missed by you and many others.

“ My sympathies go out to all of you. Dolores and my Mom (Eleanor Craft), were close and that generation of family made sure we knew our relatives, for which I was always grateful. It seems like we just lost our Mom although it has been over 10 years ago, and I still miss her every day. I hope you are able to find blessings of peace after the sorrow.
