“ Jessica & Marilyn, Your love of Donald lives on, which is why the pain is so great at this time. Know that he is always with you, and that he will watch over you. The pain will not lessen, it will just change. Continue to be the caring people you are and go on with your lives.

“ Although you don't know me I wanted to send a note of comfort to you. The Bible promises a reurrection of those in the memorial tombs as read in John 5:28, 29. I wanted to share this hope and more. If you are ever interested, please feel free to contact me via email for a free home Bible study offer. There are NO obligations. My prayers and sympathy are with you at this time.
