“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfort from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ Dear Disque family, My sincere condolences to you on Don's passing. My brother, Joe, called me this evening to relate the sad news of Don's passing. I have such wonderful memories of times spent with the Disque family while growing up in Birchrunville. May your memories and faith sustain you during this time of loss. It hurts so to lose a brother, husband, or child. May your family help ease other's pain at this time. Sincerely, Susen Gaffey Leary

“ Jan, Brian, Adam, Sally, Mary Bolling, Mrs. Disque and other family members, I am so sorry for your loss and for the loss of my close friend. Unfortunately, I won't be able to make the service because I'm flying out on a planned vacation on Monday, the 4th. I'm sure Don would understand. I will miss seeing you all and our friends who knew him well. Having moved away from the east coast now for almost 40 years, I did regret that our friendship had to be a long distance one after the many good years we had together as close friends. Don was a special friend to me who would literally give me the shirt off his back. I always thought of us being like the Smothers Brothers. Of course, Don was the “smart one.” He was always able to bring out the goofiness in me and in whatever surroundings we would be in, which usually led to lots of laughing and happiness for both of us. I can remember how he tried, as much as he possibly could, to help me from failing out of Penn State. He was always there for me when I needed any support. Don will always live on in my heart. When I hear a Jimmy Buffet song, I will think of Don. When I read a good book, I will wonder if Don would've liked it, or possibly even have read it. When I watch a Penn State football game, I will remember the fun times we had watching them from the stands as students. When I go to the shore or beach, I will think of Don, especially when passing a Car Wash. And, every time I see Joe Torre, the famous baseball manager, I will continue to be reminded of Don's gaze and his smiling, brown eyes. Don lives on in those special memories and other memories that I'm sure will continue to remind me of him in the days to come. All my love and condolences, Ed Hoch
