“ Where do I begin? Dad you were the best father and pop. I could honestly write a novel but nothing I say will bring you back. Nothing I will ever do will bring you back. I keep asking why but only God knows that. We miss you dearly Dad , till we see you again 💙

“ To Jackie Erica and Kimmy... My heart breaks for all of you at the loss of your father and dad. Your dad beamed with joy at the birth of each of you and your father thought the world of you and loved you all more than anything. I hope that your father's hopes and dreams will live on through all of you. My heart aches for your loss and I want you all to know that I am here to support you. May he be yours and your children's guardian angel. I'll always remember your dad's smile he was a wonderful person. RIP Donnie
