“ *I used to live on the corner of Walnut and Lewis Road, where the rite aid currently stands. When I was in elementary school and walking to school, he used to make sure I got safely across that busy intersection every morning faithfully. Some may not consider that a big deal, but over 35 years later, I have not forgotten that kindness.*

“ *...Don phoned me to tell me of my deaf cousin Dorothy's death by train and asked me and my husband to meet with him to tell her husband and children of the accident, as he could not "sign"; her husband was also deaf....he was compassionate and very kind and helped me get thru the indentification process....I have never forgotten this...thank you Don. Rest in eternal peace. Sandy Lodzuk Horvath*
