“ My sincere sympathies to the Neskie family and in particular to his son Christian who I have known since his birth. May your hearts be comforted in knowing Donald is safely in the gentle arms of the Lord and Home again where there is no suffering, illness, and only love and joy. Those left behind are the only ones feeling grief or pain as they are left behind with a space that cannot be filled by another....only Donald. But be assured he is in an unimaginably wonderful place and will be waiting to welcome you and join him when it is time for your return to Home as well. God Bless and comfort you until you see him once again.Janie

“ Linda...you and Don were always favorites of mine. Long before I knew you, I was the golf Pro at Meadow Brook and Don helped me learn the ropes and helped me deal with difficult people that were associated with the course. later, i met you and always enjoyed when you two came and saw me at Pickering Valley. Don was good to me. Don was caring to me. I liked him; I enjoyed him and I respected him for what all he accomplished with very little credit going his way. he was a good golfer...and excellent bowler and an excellent community service person. Linda, I did not forget to write to you. I am out of country Tuesday or I would see you. Please know you are in my thoughts and prayers and I will always cherish Don's friendship as well as yours...God Bless...Bobby Bohrer., Pickering Valley Golf Course
