To Donnas family, I know you dont need anyone to tell you how special, your mom sister and daughter was but I just wanted to say she was and she was admired and Im sure loved by all at Warwick. All of my grandkids had the pleasure of knowing her and her warm smile. Just last month when I told her I was being laid off she hugged me and told me to come to Warwick and work with her. Well GodBless your family and always know shes right there with you*

“ Danielle, I am so sorry to hear of your mother's sudden illness and passing. Your "aunt" Sandy Stillman and the Custer family are related...and you probably remember Leo and Eleanor Custer from Dr. Wolstenholme's vet's office with their dog, Hunny Bear. The Custer family wants to wish you our shared condolences and sympathy for your loss. Good luck in the future. Enjoy her horse and yours and share your memories while riding both of the horses across your fields and pastures.

“ I Am Always With You When I am gone, release me, let me go. I have so many things to see and do, You mustn't tie yourself to me with too many tears, But be thankful we had so many good years. I gave you my love, and you can only guess How much you've given me in happiness. I thank you for the love that you have shown, But now it is time I traveled on alone So grieve for me a while, if grieve you must Then let your grief be comforted by trust That it is only for a while that we must part, So treasure the memories within your heart. I won't be far away for life goes on. And if you need me, call and I will come. Though you can't see or touch me, I will be near And if you listen with your heart, you'll hear All my love around you soft and clear And then, when you come this way alone, I'll greet you with a smile and a "Welcome Home".
