“ *Donna I miss you like crazy. I think about you everyday. You was and are a amazing person and no one can ever take that from you. You was funny, groofy, silly, loving, and caring. I can't stop thinking of all the fun we had and all the women I hit because they wanted to try and hit you. I have always protected you because to me you wasn't a friend. You was family. Donna this is your time to live free and fly high. You will always be miss and thought of. We all love you..*

My sincerest condolences to the family. Donna loved to tell stories about her children and her face would simply glow when she spoke of you all. May God bless you all with peace and comfort in the knowledge that she is beside the savior in heaven. Families are forever and you will be together again.
