“ I grew up in the nieborhood with the Padgetts. Mrs. Padge was a charming, loving and giving woman. She was a mother to All and she welcomed all to her home. The Padgetts have always been a family to me. With all my heart, I send my deepest sympathies to Caroline, Janet, Sandy and Tina and their families. Mr. Padgett, Brenda, Jimmy and now Dora are in the arms of Jesus were we all will be with them one day. I love you Mrs. Padge, Thank you for your never ending love and the memories.

“ I have known the Padgett family since the early 70s. The first time Brenda brought me home to her house I fell in love with her mother. I used to love to hear Mrs. Padgett talk and laugh with the kids. I was so amazed on how this woman raised six kids on her own always kept a clean house laundry always done and a full course meal every day. The kids would come home from school and always have a hot meal. The bad thing was Mrs. Padgett was so generous if one of the girls brought home a friend she would feed them too so if you were one of the last kids to come into the house you may not have dinner.

I remember the last person had to do the dishes so they hated to be the last kid to eat.

Her chicken noodle was the best I ever had I used to love when I was invited for soup night.

She was the kindest person I ever knew she would give you the shirt off her back or her last umbrella if it was raining out and you needed to go home. She had a heart of gold and I loved that I got to have the privilege to know her for over 40 years. She made me feel like I was part of the family and I truly love the woman very much. I watched her raise five little girls who turned out to be 5 beautiful women. Through the years I have always enjoyed her calling me Kimmy Geyer.

May she rest in peace with God's love.

“ I have wonderful memories of Mrs. Padgett, so many as she was such a part of my childhood. One fond memory I have is when my grandmother moved in with us (also German). She didn't know anyone in the area and she loved going up to talk with her. It's amazing what strong woman she was, now that I am older and have kids of my is I really admire that she raised all her children, and they turned out so wonderful. I smile when I think of her, she also had a great sense of humor. Rest In Peace
