“ I recently retired from Parkhouse and I worked in the activity department. I always stopped in to talk to Dorothy everyday that I was at Parkhouse. I enjoyed our little chats. She talked about her mother, her sisters, their trips, friends from Germany, and she always asked me about my four grandchildren and their activities. When I go into Parkhouse tomorrow it just won't be the same without Dorothy. I will miss her, and keep her in my prayers. It was wonderful to know Dorothy. Fondly, Beth Tuscai
