“ Sandra, Arlene, Cynthia, Brenda, Ricky, Gary, Bruce, Darryl, Barbara, and David:

I was so sadden to hear about your Mom passing away. It was like someone stabbed me in my heart. It brought me to tears. I know how you are feeling with just losing my Mom 8 months ago.

I have sooo many good memories of your gorgeous Mom! Like someone said she was beautiful on the inside, which is most important, and just as beautiful on the outside. What a sweet, wonderful, and loving Mom. I know that you all have many, many treasured memories of her.

Back in the day in Mont Clare, I remember our Moms just about every day talking at the fence. I used to try and eavesdrop. They would talk about their husbands (Paul and Bob), the kids, etc. They always seemed to be laughing and would have smiles on their faces. They didn't get to see each other much once they got up in age, but they always called one another. She was a "Wonderful Friend" to my Mom and I'll never forget that!

She possessed beautiful qualities that I know she passed down to her children, grandchildren, and great-grandchildren. You are all a testament to your Mother and Father being good parents and thus raising fine adults.

I wanted you to know that I am sharing in your grief and I am thinking of you. You can never fill that void, but may your memories, the love of family and friends, and the hope that the Bible promises give you comfort and help you deal with the difficult days, months, years ahead of missing your Beloved Mother.

*Love,

“ To The Hicks Family,

I was truly saddened to hear about the loss of your Mother, another one of my Mont Clare Mothers has gone on.

My memories of your Mother, as Mommy called her, Dot Marie, will forever be instilled in me.

We all grew up together and have many stories to tell.

One of the most precious memories I have of our Mothers is their morning coffee time.

My Grand Pop, Lee Haley, known as “Pop “made an amazing pot of coffee

Every morning, your beautiful Mother, would come over to our house to share a cup of Pop’s coffee with my Mom. She would always ask my Mother,” what did Pop put in this coffee? And my Mother would reply, “I don’t know Dot Marie.” Your Mother loved some Pop’s coffee.

Over the years, my Mom and your Mother never lost contact with each other. No matter what they were going through, they always found time to and check-in on each other.

That is God’s blessing of a true friend!

To the Hicks family, rejoice in the beautiful memories of your Mother, she will forever be with you.

May God Bless You And Keep You Is My Prayer.

*With Love,
Denise Haley*
