“ Mike,

On behalf of your classmates at PAHS I want to share with you how saddened we are about Dolly's passing. We all were so fortunate to meet her ...her enthusiasm for attending the reunion this past October was remarkable! God Speed....

“ Michael, Michelle, Jimmy, Jon and families. I was saddened to hear the news and am sorry I could not be there in person in your time of grief. I have some special memories of Dolly. She was a very giving caring person. My favorite memory of her is how she knew I was so "in love" with Barry Manilow that she took me to my first concert to see him. It was a wonderful day and an experience that brightens my heart even now 30 years later looking back and thinking about it.

“ I extend my deepest sympathy to the Hovanec Family. Dolly took great care of my grandmother, Anne Ewing, as well as helping my Uncle Samuel Ewing with his Irish Wolfhounds. I also enjoyed the e-mails that she would send me. I will miss her but I know that she is at peace and free of earthly pain and suffering.

“ Dear Mike and family:  
Dolly was one special lady. She was always there and willing to help me when ever I needed her.  
I know she and Jack are having a good laugh up there and talking the ears off each other about antiques.  
I will miss you my dear friend, but I will always have those memories.  
Good bye my dear friend
