ME

“ *Christine.... I just want to let you know how very much your Mom will be missed. I looked forward to talking to her in the dining room or just in her room visiting. She was "George Street" I was "Kohn Street". We had so many stories to tell about growing up in Norristown and the people we both knew. She made me laugh so hard and somehow always brought a smile to not only my face but my Mom's face! I wish I had known your Mom longer than I did but for the time I did, she was a special lady and you and your family should be extremely proud of her. I will always think of her when I am with my Mom and visit the "second floor". My prayers are with you and your family and also for your Mom. Marie*
