“ Colleen, I was very sorry to hear of the passing of your Dad and most recently your Mom. I have very fond memories of your parents and how they always made me feel very welcome into their home. I still to this day remember the oatmeal and ice cream they served, I now serve that to my grandchildren and they love it.
Take Care Andrea

“ Colleen, Pamela & Family,

I am sorry for all that your mother had to endure and you as a family thru this trying time.

My visit with your Mother in August was wonderful. I had hoped to stay 1 hour, it turned to more than 2. Your mother was a lovely person and I always liked how REAL she was.

She loved your dad, you girls and her family in Canada. She was glad she got up to see brother and talked of and loved her brother-in-law that also was named Jim, if memory serves me.

Your Mom had a good outburst of laughter.

The day I visited she took me on a tour of the facility that she stayed at and as we walked, talked, I thought; this woman is in hospice and she is taking me on a tour. Your mother was a woman of good intention.

Your mother was a class act and we all knew it didn't we?

I am sure pleasant memories will be of comfort to you.

“ Dear Pam and Colleen,

I am so sorry to hear of your parents passing. I was "home" for the holidays and Andrea and my Mom told me of your Mom's recent passing. I too have very fond memories of your parents and remember my sleep overs at your house. This is a very hard time in our lives as we get older and see our children grown into adults and reality sets it that our parents are not going o be with us forever. Please know that you all are in my prayers. Please take care.

*Love, Cindy
